About Institute

The institute of Management & Science established in 2010. The institute is affiliated to North Maharashtra University Jalgaon and duly approved by All India Council for Technical Education (AICTE), New Delhi. We have the privilege of being the modern and sophisticated premier technical institute in Bhusawal imparting professional education. Institute of Management and Science (IMS) reflects quality, which is day-by-day stepping towards perfection. The utilitarian mission is to provide skilled and motivated manpower catering to the burgeoning Industrial needs and also to train students on cutting edge technologies. In a nutshell, IMS has a penchant for excellence and hence produces Business leaders of tomorrow who are ready to face the challenges of this ever-changing and fast-moving corporate world.

VISION

“To Develop the Institute as centre for Excellence in Management Education & Research.”

MISSION

“To promote high quality education, training and research at affordable cost for the Upliftment of students living in rural areas.”

OBJECTIVES

- The overarching objective of the institute is to develop well balanced business executive's adept at linking economic growth with accompanying social development.
- Thus, such managers would be at ease in transcending narrow profit motive and move on further to enhance creation of an equitable society.
- IMS develop complete managerial traits in students that impact the global market place every day.
- Therefore, the MBA graduates of IMS will look at ethical way of doing business, display individual and corporate social responsibility, and would be conscious of sustainable business practices. All their actions will be entrepreneurial and innovative in nature so as to create new paradigms of socio-economic development.

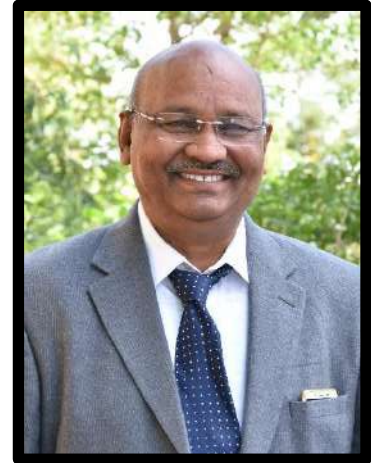

Our Inspiration

Kai. Yashodabai D. Saraf

President's Desk-

Hon'ble Pandurang Saraf Sir

(President KYDSC Trust)

welcome to IMS....

Over the past decade companies across in the India have been changed by competition both within the country and outside. India is no longer isolated from the economic mainstream. The patterns that are emerging in business worldwide are bound to be repeated. Hence the vision behind to establish KYDSC Trust's Institute of Management & Science (IMS) Sakegaon-Bhusawal is to serve Management Education to rural areas. The fundamental objective is not only to provide Management education to the students but also to develop future successful business managers/leaders.

Secretary's Desk –

Hon. Sanjay Ingle Sir

(Secretary KYDSC Trust)

welcome to IMS....

I am glad to inform that KYDSC Trust's Institute of Management & Science (IMS) is one and only institute in Bhusawal Taluka offering quality business education to students of rural areas through two years full-time MBA program. This institute is affiliated to N.M. University Jalgaon approved by AICTE New Delhi and recognized by DTE-Govt. of Maharashtra. As the economic scenario undergoes considerable change across the globe, the role of managers and business professionals becomes more complex and challenging, calling for higher degree of expertise, innovative skills and professionalism. Management education and training have a significant role in developing competitive corporate managers to meet the increasing demands of industry. Institute of Management & Science (IMS) nurturing students since 2010 to fulfill these demands.

T.P. O'S DESK

Dear Recruiters,

Dear Recruiters, with a vision of global societal development; the Training and Placement cell is committed to the mission of preparing competent, value added and patriotic engineers and administrators of integrity of par excellence, well proven by the alumni working in various capacities at global levels. In the era of changing technology, the challenge of the date is to fulfill the demand of manufacturing and service industry as it is looking towards an employable professional having various skill sets to sustain in global tough competition. Training and placement Cell of our institute helps students in making them aware about the various job opportunities in their respective fields with the aid in applying for the jobs and conducts campus interviews to recruit them when they are in final year of Engineering & Management Program.

To integrate industry relevant skill set and curriculum the Training & Placement Cell is organizing Orientation Programs, Industrial visits, Workshops, Seminars & Guest lectures. The cell also organizes Industrial Workshops, Soft Skills Training Programs, Summer Internship Programs, Aptitude Tests, Mock Interviews and sessions on Motivation, Leadership and Personality Development. I am confident about students of our institute who have necessary skills & ability to quickly become a successful & valued member of your organization. I take this opportunity to invite you for the recruitment of final year students and would like to see you soon at our Campus.
