1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Mission of Institute

To Promote High Quality Education, Training and Research at Affordable Cost For The Upliftment Students Living In Rural Areas

Vision of Institute

“To develop The Institute as Centre for Excellence in Management Education & Research”

The institute has been working for the development of the students through the following parameters: -

1. Professional Ethics: - Being an engineering institute, inherently students acquire professional ethics through the institute environment and culture. As part of programme curriculum, topics related to professional ethics are included in the syllabus like Organizational Behaviour, project management etc. Experiential learning through industrial visit and participative learning through expert lectures also imbibe professional ethics.

2. Gender Equality: - Though the institute is co-education, for gender equity the institute has constituted “Women Grievance Redressal and Anti Ragging Committee”. In order to make everyone aware of gender equity, the committee organizes various activities such as women rights and security, Women Empowerment, health and hygiene, social awareness, usage of social media etc. Meetings of the committee members are conducted regularly and various points are discussed to provide better environment for the women. The institute has ragging free environment.

3. Human Values: - The institute is very keen on imbibing human values among students through various activities such as celebrating Independence Day, Republic Day, Gandhi Jayanti, Teacher's Day, Voters Awareness Day, International Yoga Day, World Environment Day, Youth Day, Traditional day etc.

4. Environmental and Sustainability: - Environmental Studies is a part of curriculum as prescribed by the University. It helps to create awareness about the Ecosystem, Natural Resource Conservation, Waste Management and Pollution. This curriculum is supported by field visit. The institute organizes Tree Plantation Program, Cleanliness Program and special lectures to make everyone aware of the importance of environment and sustainability issues. Rainwater Harvesting, waste water recycling, usage of solar energy, illumination through LED etc. at the institute creates awareness and consciousness among staff and students.
