2.3.2

Teachers use ICT enabled tools for effective teaching-learning process.

Answer:

Information and Communication Technology (ICT) has been an integral part of teaching-learning process in the institute. The institute has made conscious efforts to invest in hardware and to orient the faculty suitably to enrich the learning experiences of students.

The institute has put in place the electronic data management systems and electronic resources and their access to internal and external stakeholders particularly the student community. It includes 100 Mbps Internet lease line, ERP system, MOODLE – Learning Management System, Digital Library, e-books / e-journals, NPTEL Videos, Language Lab etc.

The institute has made all possible efforts to train faculty members on usage of ICT in teaching-learning process during this pandemic. All faculty members have undergone training on Live Classroom Teaching Platforms & Tools, video editing, conducting online Internal Sessional Examination (ISE), MOODLE – Learning Management System etc. The faculty members also have attended online FDP / STTP on recent technologies with an objective not only to learn recent technologies but also to learn delivery methodology followed by resource persons.

During the COVID – 19 pandemics, the faculty members have recorded theory lectures and laboratory sessions /experiments using appropriate hardware & software. Those recorded videos are shared among students through various online platforms & social media. All the faculty members are well versed with online teaching through various online delivery platforms.
