#### Answer:

The institute is very much keen on the learning outcomes which are specifications of what a student should be capable of doing on successful completion of a course and/or a programme.

The institute is affiliated to K.B.C. North Maharashtra University, Jalgaon (M.S.) and follows the syllabus of the university. All courses in the syllabus of the curriculum have well defined Course Outcomes. In aligned with the same the Institute has clearly stated Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs). Each CO is mapped to PO and PSO in terms of their correlation.

The following mechanism is followed by the institute to communicate/disseminate outcomes to the teachers and students

1 Vision-Mission, Program Educational Objectives (PEOs), POs, PSOs of the Programmes offered by the institute are uploaded in the institute website (<https://scoetjalgaon.ac.in/>) and also displayed at the prominent locations.

2 The syllabus of all programmes is made available on the institute website which includes the COs of various courses of the curriculum.

3 COs of theory subjects are made aware to the students by the concerned faculty member at the beginning of every semester.

4 POs, PSOs and COs of lab course are made aware to the students and also provided in the lab manuals by the concerned faculty member at the beginning of every semester.

5 POs, PSOs and COs along with CO-PO & CO-PSO mapping are made available on the institute website.

6 All the faculty members prepare course file for each semester that lists the POs, PSOs and COs along with CO-PO & CO-PSO mapping
