2.6.2

Attainment of programme outcomes and course outcomes are evaluated by the Institution.

Answer:

The institute has practice of measuring the level of attainment of Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) as per the syllabus by K.B.C.North Maharashtra University, Jalgaon(M.S.). Broadly the tools used for the assessment of POs & PSOs involve CO attainment through university results.

In every semester, CO attainment is evaluated based on the University results. The syllabus has University Assessment, known as End Semester Examination (ESE) for theory and practical, and College Assessment, known as Internal Continuous Assessment (ICA) for practical and Internal Sessional Examination (ISE) for theory.

The University assessment contributes 60% and college assessment contributes 40% towards the attainment of CO for each subject (Theory and Practical). For each subject, the CO attainment level, i.e. Level – 1, Level – 2, Level – 3, is calculated based on the percentage of students scoring more than University average mark in the ESE and percentage of students scoring more than college average marks in the ISE / ICA respectively. Level – 1 is defined as 30%, Level– 2 is defined as between 31% to 60% and Level– 3 is defined as above 60%.

Based on the mapping of COs with POs and PSOs, the respective CO attainment contributes to the attainment of PO sand PSOs as direct assessment tool. Attainment of POs and PSOs are calculated for each batch at their end of programme.
