Programme Report (2022-23)

Date : 04/07/2022

Title of Activity/Event: Gender Issue Community

Date: 04/07/2022

Time: 10.00 am to 5.00 pm

Venue: KYDSCT's Institute of Management and Science, Sakegaon

Incharge of Activity: Prof. Lina S. Patil

Objective of Activity: The overall objective of gender equality is a society in which women and men enjoy the same opportunities, rights and obligations in all spheres of life.

No. of Participants: 58

Brief Description of Event: KYDSCT's Institute of Management and Science Sakegaon organizes Gender Issue Community programme.

Importance of Gender Equality : Gender equality is intrinsically linked to sustainable development and is vital to the realization of human rights for all. The overall objective of gender equality is a society in which women and men enjoy the same opportunities, rights and obligations in all spheres of life.

Equality between men and women exists when both sexes are able to share equally in the distribution of power and influence; have equal opportunities for financial independence through work or through setting up businesses; enjoy equal access to education and the opportunity to develop personal ambitions, interests and talents; share responsibility for the home and children and are completely free from coercion, intimidation and gender-based violence both at work and at home.

Outcome of Programme Gender Equality:

Equality of outcome or results requires the creation of an enabling social environment by addressing the ideology and cultural constructs that create hierarchies within gender relations. Positive measures have been proved as a necessary measure to achieve equality of outcome.
