6.1.1

The governance of the institution is reflective of and in tune with the vision and mission of the institution

Answer:

The Vision of the institute is, **“To develop The Institute as Centre for Excellence in Management Education & Research”**

The Mission of the institute is, **To Promote High Quality Education, Training and Research at Affordable Cost for The Upliftment Students Living in Rural Areas**

In line with objectives of Institute of Management and Science Sakegaon established in 2012 to impart education. Since inception, the institute has carried the flame of quality education in this region and is reflective in the number of students admitted.

The Governing Body (GB), constituted as per AICTE guidelines, is the apex body of the institute and decisions taken by the body are in tune with Vision and Mission. Various decisions, may it be related to infrastructure, human resources, facilities, taken by the GB have been progressive in imparting quality education for societal development.

As part of mission of the institute, the institute believes in conducive environment through due representation of stakeholders at various levels of governance. The institute has constituted College Development Committee (CDC) as per the guidelines of university. The GB and CDC are instrumental for effective and smooth implementation of plans and decisions taken on admissions, budget, infrastructure, Teaching-Learning and Placements. Involvement and contribution of faculty members and staff through various academic and administrative committees reflect the participatory nature of governance. Senior faculty members in the role of Directors are also involved in the decision-making of the institution.

The institute prepares perspective plan and keeps updating time-to-time as per need. The plan is approved by CDC and for implementation. The perspective plan from year 2016 to 2021 includes implement Rain Water Harvesting system, conduct courses under Training & Placement Cell.
