6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal Quality Assurance Cell (IQAC) focuses on initiating, planning and supervising activities that are essential to increase the quality of the education. IQAC plays vital role in maintaining quality standards in teaching, learning and evaluation. Among several initiatives taken by IQAC, two initiatives are as follows.

1.Result Benchmark and Analysis

IQAC of the institute strongly believes that the success of Institution depends on outstanding results. With the help of detail Result Analysis, institute identifies areas of strength and weakness in teaching & learning. As per suggestion by IQAC, institute has framed a comprehensive methodology of result analysis as follows-

Minimum Passing Standard for each subject: Institute has set minimum passing percentage of each subject, i.e. More than University Average Passing Percent.

Comparative Analysis of Institute with University and Previous Year Result: Institute comparatively analyses results of each subject against University Passing Percentage for current and Previous Academic Year. This analysis helps to ascertain the incremental improvement in results.

Comparative Analysis of Overall Passing Percentage (All Clear) of Institute with Other Institutes: This analysis helps to ascertain the rank of the Institute in the University region.

Result Analysis highlights Toppers, Advanced Learners and Slow Learners: This analysis helps to identify the bright students so that institute can enrich their learning experience and overall development. In addition to this the list of slow learners helps Institute to provide special attention to their requirement to overcome their difficulties
