The Institute has taken several initiatives to cultivate innovation as the way of life. The Institute has started an Innovation and Incubation collaborative activity with Centre for Innovation Incubation and Linkages (KCIIL) of KBC, North Maharashtra University, Jalgaon in order to augment innovation-driven culture among students and faculty promoting intra disciplinary approach aiming to competitive, conducive and value-added environment for products and publications.

As management student must not be just a job seeker, rather must be a job creator. Thus she/he must develop entrepreneurial characteristics along with technical knowledge and application of management techniques. To ensure this institute organizes Entrepreneurship Awareness Camps, Entrepreneurship Development Programs, Faculty Development Programme and Skill Development programs in the institution. This is to guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support system, information on technologies, etc. and to have interaction with esteemed entrepreneurs who may inspire and mentor student to become entrepreneurs.

Research and teaching are complementary to each other. Through research the teachers explore the sea of knowledge and bring up the new technology which makes the management student better employable and human life more comfortable.

The institute has endeavored to transform from a basic teaching institute to teaching and Research institute. Institute Management provides financial supports for attaining Faculty Development Programme (FDP) and research Publications.

The institute believes in green technology use and promotion and has installed solar power plant with capacity of 10.35 kW, which fulfills 100% of Electricity demands of the Institute.

Rain water harvesting, LED lighting are operational in the campus to save electricity and environment.
